Contact: David Brooks, Bourne Hall Museum, Spring
Street, Ewell, Surrey, KT17 1UF

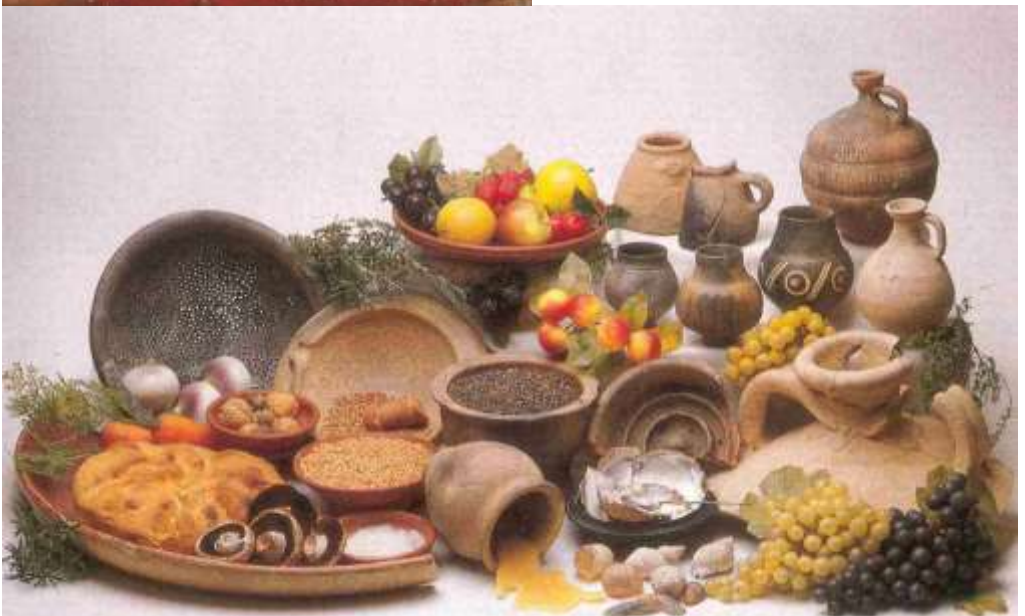

Tel 020 8394 1734. Email dbrooks@epsom-ewell.gov.uk

ROMAN EWELL

Wednesday 7th August 2pm to 3.30pm

What was it like to live under an Empire? Discover how life changed for local people and how the building of a road brought a small native village in touch with a new world of ideas and trade. Hear tales of underworld gods, sacred springs, shafts and sacrificed puppies – and hear what was found in recent excavations. There will be a chance to handle Roman objects after this illustrated talk. Don't forget to visit the Roman display in Bourne Hall Museum while you are there.

WHO WANTS TO BE AN ARCHAEOLOGIST?

Wednesday 14 August 2pm to 3.30pm

A fantastic opportunity for all budding archaeologists to discover how to unlock the mysteries of the past. Find out how objects are used to date sites and support documentary evidence. Learn about environmental archaeology and what you can tell from bones, pollen and even snails. Handle objects from prehistory to medieval times and try sand tray archaeology

DON'T YOU KNOW THERES A WAR ON?

Wednesday 21 August 2pm to 3.30pm

Find out how local people defended their town, families and community during the dark days of WW2. As the sandbags were piled high, barrage balloons filled the air and children were evacuated, the people of Epsom and Ewell made ready to do battle on the Home Front. Using photos taken at the time and objects used locally, this illustrated talk will show what life was like. Discover just what things could fall out of the sky on your head and get to handle some of them! Learn how to survive a gas attack and see the different types of gas masks in use. Would you know how to deal with a fire bomb?

CAVE PAINTING

Wednesday 28 August

11am-12.pm & 2pm-3.pm

In the deep time of prehistory early men crawled down into the darkest caves and used light from primitive candles to paint pictures of themselves and the animals they hunted. They left behind a vivid record of their way of life and some clues of what they believed in. Discover how and why these paintings were created. Then by flickering light try to create your own cave painting in our very own 'caves'.

Two identical sessions will be run, please book to reserve your place; maximum 16 children.

CATS CLUB

**CRAFT
ART
TECHNOLOGY
SCIENCE**

ANGLO-SAXONS WORKSHOP

**SPEND THE MORNING
LEARNING ABOUT THE
ANGLO- SAXONS AND
VIKINGS. LEARN WHAT
GREAT CRAFTS PEOPLE
